** More detail on pages 6—9*

Keeping You Informed

Contact

On employment, we will be notified by your employer to advise of your upcoming move to the area.

STEP 1

STEP 2

STEP 3

STEP 4

STEP 5

Welcome Brief

Our relocation consultant will contact you to clarify any questions as well as cover in detail the process we assist with .

Getting to Know You

Our local consultant will be in touch to get a more detailed understanding on your property wishes as well as providing advice and guidance on the current market.

Relocation

Upon move dates being agreed, DMR will co ordinate all the services you require so you can focus on your new job.

Review

Our consultant will be on hand to ensure you are happy and settled in your new home. A feedback form will also be requested to keep our consultants accountable on their service delivery to you.

Service Range

Outlined below are the service ranges available for you to select from.

Management Of Your Relocation Allowance

A process which allows you to track and prepare your relocation expenses. Each of the service costs are transparent and advised prior to commitment to ensure no surprises.

Household Goods Service

Management of the careful packing and moving of your belongings in your current property to your new home. Secure storage of your belongings is also available should your new property not be ready when relocating.

Home Search

Our consultants are here to develop an understanding of your property wishes and advising on the local area and housing market.

Following this our consultant will research, book viewings and accompany you to suitable homes identified of interest, whilst providing detailed guidance on the respective area.

Upon identification of the property, they will negotiate on your behalf and assist with the documentation and review of legal agreements.

School Search

The core aim of the service is to gain an understanding of your families educational wishes and to identify schools matching these.

Where possible, our consultants will arrange appointments for school visits as well as providing all information relating to the schools.

On identification of a school, support will be provided on the application to the school along with finalising arrangements for your child / children to start.

Settling In Support

Custom to you and aimed at ensuring you are comfortable and settled in your new home as quickly as possible.

The service often covers the below along with plenty more:

- ✓ Registering with medical facilities as well as an overview on how this works.
- ✓ Opening of new bank accounts , arrangement of new phones as well as the setup of utilities and insurances.
- ✓ Guidance on the social side of relocation by way of introductions to sports and hobbies of interest as well as useful resources to find out further information.
- ✓ Advice on shopping, how to use transport options, possible community involvement and anything else of concern.

General Advice & Guidance

We understand relocating can be both overwhelming and exciting but also an overload of information.

To resolve this DMR have developed an information portal for you to access in your own time which covers all the key areas of relocation.

Further to this DMR also have a relocation hub, which is aimed at creating a community for those new to the area also.
